RJN Group, Inc. Hires Three New Field Technicians

Wheaton, IL (January 4, 2006) – The St. Louis office of RJN Group, Inc. recently hired three new Field Technicians to support work performed in the St. Louis area. Darell Chamberlin, Joe Augustine, and Todd Walters joined the firm in November and will be serving the St. Louis and metro east area.

RJN Group, Inc. is a leader in providing engineering services and information technology software to municipal, county, state, and federal clients for the past 31 years. The firm is headquartered in Wheaton, Illinois with offices in St. Louis, Missouri; Collinsville and Chicago, Illinois; Dallas, Fort Worth, Austin, Houston, and San Antonio, Texas, Fayetteville, Arkansas; Tulsa, Oklahoma; Vienna, Virginia; Boston, Massachusetts; Baltimore, Maryland; Deerfield Beach and Miami, Florida; and Atlanta, Georgia.

RJN provides public works engineering and information technology services for the development, maintenance, and management of municipal infrastructure systems including sewer, water, drainage, roads, bridges, and in addition, GIS services. Projects include engineering studies, preliminary and detailed design, construction engineering, and maintenance management. The firm provides the CASS WORKS® family of software products for tracking of asset inventories, maintenance activity, physical inspection and histories, and related management systems. RJN also provides CASSView™, a GIS deployment tool providing direct access to GIS, CASS WORKS, and other related data.
