RJN Group, Inc. Names New Principal

Wheaton, IL (September 19, 2007) – Jon van Soestbergen, P.E., was named Principal of RJN Group, Inc.'s east coast region at the firm's annual August Strategic Business Meeting in Wheaton, IL. He is RJN's eighth Principal to be appointed. Mr. van Soestbergen started his career with RJN in 1984, and re-joined the firm in April of 2005 after 11 years in various positions of increasing responsibility with the Virginia Department of Environmental Quality in Richmond, Virginia. During the last two years, Mr. van Soestbergen has helped solidify and extend RJN's services in the mid-Atlantic region and throughout the east coast. Mr. van Soestbergen earned a Bachelor of Science Degree in Civil Engineering from the George Washington University, holds a Masters Degree in Civil Engineering from Northeastern University, and has over 23 years of experience in the engineering field. As Principal, Mr. van Soestbergen will continue in his current role as Regional Director for day-to-day operations of RJN's mid-Atlantic offices in Baltimore, Maryland and Vienna, Virginia, while working to expand RJN's client base throughout the east coast.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
