Robert Kuenzel Receives Certification as a Licensed Professional Engineer

Wheaton, IL (April 9, 2008) – Robert Kuenzel, P.E., a staff engineer for RJN Group, Inc., recently received certification as a Licensed Professional Engineer in the state of Missouri. Certification requires passing the professional engineer license exam. Mr. Kuenzel has been working for RJN for more than 4 years specializing in SSES projects. He is also currently a member of the Water Environment Federation and the Missouri Water Environment Association.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
