Laurie L. Perkins, P.E. Elected to CWEA Committee Position

Wheaton, IL (December 15, 2008) – Laurie L. Perkins, P.E., Senior Project Manager of the Baltimore Office of RJN Group, Inc. was elected as the Collection Systems Committee Chair for the Chesapeake Water Environment Association (CWEA). The position requires active participation on the committee for 2 years as well as an expertise in collection systems. Ms. Perkins will hold the position for the 2008-2009 fiscal year. In 2008, she won the Golden Manhole Award for her active participation on the committee and for reintroducing the Operator's Challenge to the Chesapeake section of WEF.

Ms. Perkins has over 12 years of civil engineering experience in planning, design, and construction management of multi-faceted engineering projects with specific design experience in stormwater and wastewater collection and conveyance projects. She has been with RJN Group, Inc. for 2 years.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
