Michael Young, P.E. Joins RJN Group, Inc.

Wheaton, IL (March 22, 2007) – RJN Group, Inc. is proud to announce that Michael N. Young, P.E. recently joined the firm as a Project Manager for RJN's Wheaton Office. He will provide water, wastewater and municipal engineering services. Mr. Young earned a Master of Science Degree in Environmental Engineering and a Bachelor of Science Degree in Civil Engineering from the University of Illinois in 1995 and 1994, respectively. He brings over 11 years of experience in the design and management of stormwater, sanitary sewer, and water utility projects, as well as site design and water and wastewater treatment projects.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
