**RJN Group, Inc. is selected for a Major I/I Contract  
by the St. Louis Metropolitan Sewer District**

Wheaton, IL – The St. Louis Metropolitan Sewer District (St. Louis MSD) has retained RJN Group, Inc. to perform Combined Sewer Inflow / Infiltration Service Area Investigations in the City of St. Louis and St. Louis County, Missouri. The project entails investigating, identifying, quantifying, and recommending improvements or rehabilitation techniques to eliminate or reduce rainfall dependant I/I within the sanitary and combined sewer systems. As one of several projects encompassing the St. Louis MSD Capital Improvement and Replacement Program that will provide the basis for design and construction for many years to come, the project begins in July of 2003 and continues through July of 2006.

RJN Group, Inc. is a leader in providing Engineering Services and Information Technology Software to municipal, county, state, and federal clients for the past 28 years. The firm is headquartered in Wheaton, Illinois with offices in St. Louis, Missouri; Collinsville, Illinois; Dallas, Fort Worth, Arlington, Austin, Houston, and San Antonio, Texas, Fayetteville, Arkansas; Tulsa, Oklahoma; Norcross, Georgia; Deerfield Beach, Florida; and Vienna, Virginia.

RJN provides public works engineering services and information technology services. Projects include engineering studies, preliminary and detailed design, construction engineering, and maintenance management.
