RJN Group Ranks #15 in the Trenchless Technology Top 50 Trenchless Design Firms

Wheaton, IL (January 16, 2009) – RJN Group, Inc. was recently named #15 in the rankings of the *Trenchless Technology* 2008 Top 50 Trenchless Design Firms. The efforts of the Top 50 firms generated a revenue of more than \$34.78 billion in 2008 compared to a revenue of \$469.65 million in 2007. RJN has consistently been recognized as a top trenchless design firm and takes pride in an established reputation for creative and cost-effective trenchless engineering solutions. RJN also earned a Top 200 Environmental ranking for engineering services by the *Engineering News Record* publication.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
